- Penalty notice and Fast Track to prosecution for those families/students showing no significant improvement.
- Bespoke package of support

Here at Queen Elizabeth's Academy, we strongly believe that outstanding attendance is vital in ensuring that every student achieves their potential.

Therefore a great deal of time and resources are spent in ensuring students and their families understand the importance of outstanding attendance and strive to improve constantly and **achieve an attendance of 97% or above**

Prosecution will be used as a last resort when methods of support have been exhausted.

We will work to remove barriers to attendance wherever possible, but **the legal responsibility for ensuring good attendance lies with the parent/carer.**
